## EDUCATION

---

**Wesleyan University**, Middletown, CT May 2028  
*Bachelor of Arts in English and Mathematics*, Full-Scholarship

**Phillips Exeter Academy**, Exeter, NH June 2024  
*High School Diploma*, High Academic Honors, Full-Scholarship

## PROFESSIONAL EXPERIENCE

---

*Research Assistant*, **Wesleyan University**, Middletown, CT December 2025 - Present

- Analyzing and contributing to tagged digital corpus of multilingual Buddhist texts in **Nodegoat** under Prof. Andrew Quintman for the study of historical figure Milarepa.
- Engineering interpretable data pipelines in **Python** from English translations of *The Life of Milarepa*, focusing on visual representations of character networks, direct dialogue, and geographic references.
- Designing an interactive web application to read translated teachings of Milarepa with annotated text options such as named entity descriptions, original Tibetan, and **geospatial** data.

*Host*, **The Mark Hotel**, New York, NY June 2025 - August 2025

- Seated and greeted guests, coordinated reservations, and opened morning service at the Mark Restaurant by Jean-Georges within **2-Michelin Key** hotel.
- Memorized daily hotel VIP sheet, ensuring discretion for requests, security protocols, and guest identities.

*Statistics Course Assistant*, **Wesleyan University**, Middletown, CT December 2024 - May 2025

- Evaluated and graded weekly homework assignments, providing constructive feedback for two sections (**50+** students) of “Introductory Statistics”.
- Led weekly review sessions, breaking down course topics, assisting students, addressing questions, and identifying areas of difficulty for the professor.

*Content Intern*, **Academy of American Poets**, New York, NY June 2023 – August 2023

- Published **400+** pieces of writing on poets.org, copyediting from archival sources or author copies then working extensively with back-end development and formatting in **HTML5** for deployment.
- Collaborated with the content team on large-scale projects; identifying and correcting mistakes on website; completing poet profiles with biographies and pieces; and improving poet reading recordings.
- Assisted editors in **metadata tagging** published pieces: adding semantic categories such as theme, genre, and form; finding similar works to be linked; and verifying publication and rights information.

## EXTRACURRICULAR ACTIVITIES

---

*Managing Editor*, **Adlit Magazine**, Middletown, CT November 2024 - Present

- Manage production process of **50+** page issues, overseeing team of **8** staff editors, teaching layout with **InDesign**, and coordinating all printing operations.
- Developed and deployed **React**-based website using **HTML5** and **CSS** that includes **60+** years of archives, author data, and tagged attributes for searchability.
- Source submissions and lead selection of student literature across all forms of writing on for print issues, readings, and events.
